

Activity 2: **The Life of an Inventor** Reproducible Master

Part 1: Fact Finding

Although inventors are sometimes most famous for just one accomplishment, they are often creative throughout their lives. Research an inventor and you may discover something you never knew before! Don't forget the importance of noting where you find your information.

What I Know	What I Want to Know	How I Will Find the Information	What I Learned

Part 2: Portrait of an Inventor

Share with your friends more facts about your inventor. Create a portrait of your inventor by illustrating or describing his/her accomplishments in the space below. Don't forget to copyright your work by using the standard notice below.
